Office of Legislative Counsel

Wednesday - 23 November 1962

25X1 1. [] [] ORR, in a conversation 25X1
with Mr. Leon Herman of the Library of Congress who is a consultant
to the Joint Economic Committee, received an informal request from
Mr. Herman for advice as to whether the Director or some other senior
Agency official might be willing to testify before the Committee as was
done by Mr. Dulles in 1960. In keeping with General Carter's letter of
24 July indicating that the Agency desires that no attribution be provided
with regard to the various studies furnished the Committee for this
25X1 hearing, [] will confirm today his preliminary advice given
25X1 Mr. Herman that the Agency did not desire appearance before the
Committee.

2. [] Advised by William McManus, Senate
Internal Security Subcommittee staff, that he had received confirmation
for television coverage by CBS and NBC and that ABC confirmation
is expected during the afternoon. USIA had also confirmed the fact
that they will be covering the hearings.
